Glad I could help.
Whoever got to him before you found him really did a number.
IT WAS A ZEBRA WHAT DID IT!
A ZEBRA WITH BIG KNOCKERS!!
Yeah- you have any idea who that might be? We may have to bring her in. Assault on dirt bags is still assault, afterall.
Umm- no. I don't know any zebras.
Well, let us know if you hear anything.

Not that great. They're dialing back on the pain killers.
You just missed Zig Zag. She was here earlier.
Yeah. You might wanna tell her to lay low for a while.
I think the police may be looking for her for beating up that crook.
I heard.
She might be nuts, but she's a really good friend.
What's wrong?
Nothing.

"Congress should take notes"

I don't know about moving to Springfield with you. My friends, family, and work are all here!
True.
and I doubt you'd want to move in with me- and Amy - and Thomas - and Timmy.
You'd be right about that.
What about both of us getting a place of our own here in town?
That might work. It's probably not too tough to move my call center work here.
- And now I realize this will be at least twice as difficult as I first anticipated.

And perhaps we can take the next step from there.
Sounds like a plan.
Y'know, I was thinking you would ask me to marry you today.
Yeah - I'm impulsive, not nuts.

I got your message. what's going on?
Sabrina told me she's going to move out!
Isn't that good? We would get more space to ourselves. What's the problem?
The problem is she pays for about 99 percent of everything around here!
Holy crap you're right.
We'll just have to get real jobs. I have a botany degree. Maybe I can do something with that.
- and I used to model, ... about a decade ago.
WE'RE SCREWED!!
Am I?

Sabrina! Great to have you back!
Don't hug me! The ribs are still healing.
Just a kiss then. So what's new with you?
Not much. RC and I are planning to move in together.
Really? That's pretty awesome, almost as good as if you moved in with me!
If there's any way I can help out, just ask. I'm here for you.

So, you know about growing plants and stuff?
I have a botany degree, so you could say that.
How about growing stuff indoors?
Well, outside is much better, but I do know how. What kind of job is this anyway?
OK like, we sell um- gardening supplies, and we need somebody who knows plants to show people how to grow their stuff.
Ah. I get it.
I was kinda tipped off by all those fancy pipes on the wall there, though.
Hehehehehh, yeah.

That sounds pretty good for me, huh?
Sorry honey, I'm actually on the force.
Oh.
©EWS

Did you get the job?
I'm not even sure I want it.
Why not?
It's a head shop. They'd probably get raided by the cops every other week.
They sell drugs?
No, they're not that stupid. They just sell supplies and stuff.
Then what do they need you around for?
I'd be giving advice to growers, but I think they really just need someone around who won't be stoned all the time.

Well, miss Zig Zag, if that is your REAL name...
It is.
I have paperwork and everything.
Isn't it true that you have a history of antagonistic behavior and revenge?
I — what do you mean?
Well, according to this, you were reported having verbally and physically abused several individuals across the country,
SIMPLY because they insulted you in internet posts?
In my defense, it was pretty funny at the time.

Given the circumstances, your sentence is limited to a 2000 dollar fine and time served.

Well, she was convicted of one count of assault, and was fined for it.
Yuh-huh.
YOU, on the other hand, were found guilty of several counts of armed robbery, aggravated assault,
and one attempted murder.
That's what I'm TALKIN' about!

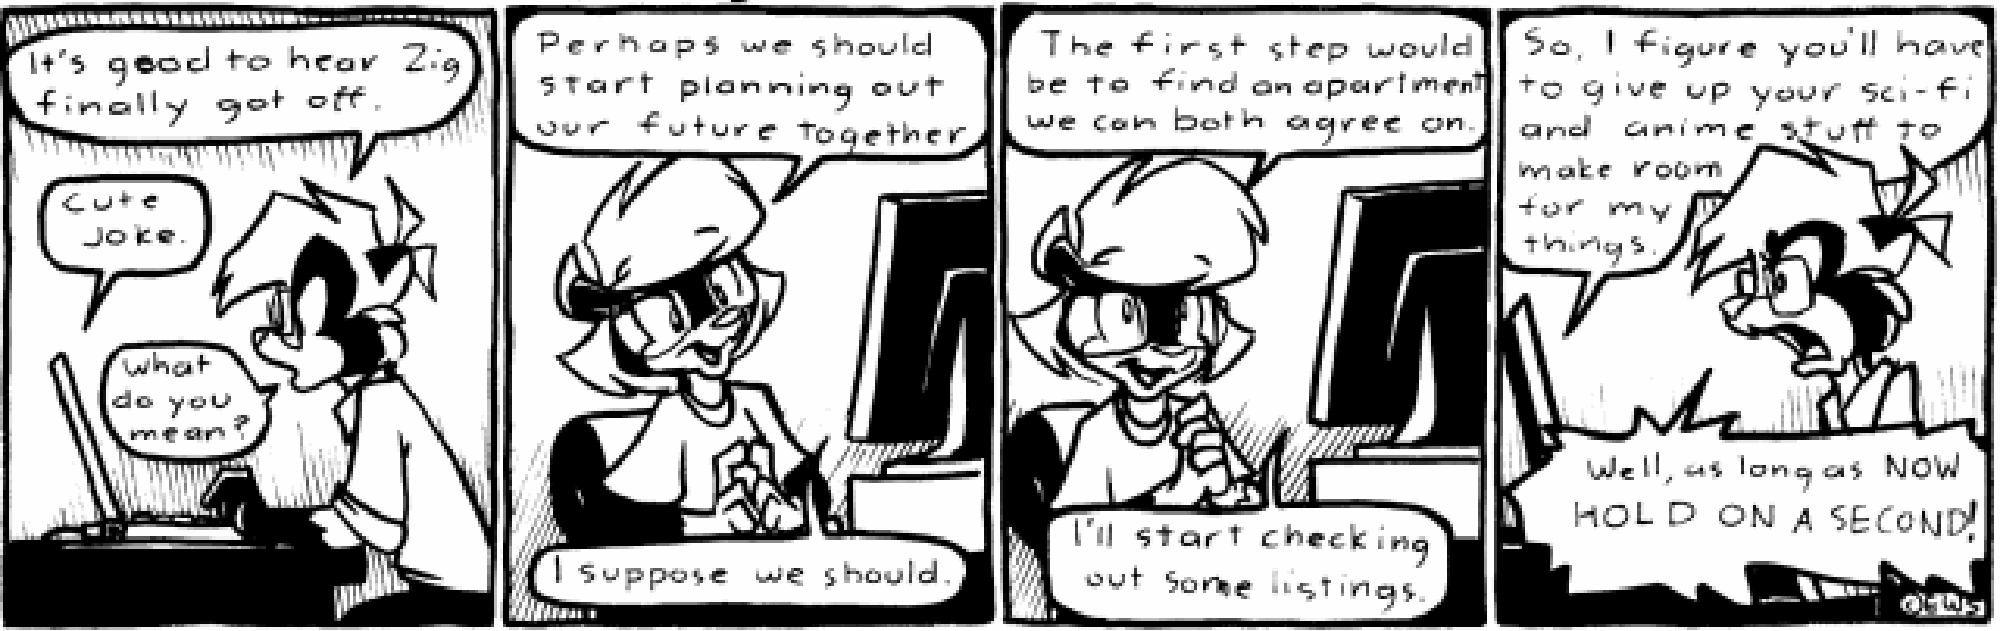
"Zig Zag gets some time off"



It's good to hear Zig finally got off.
Cute joke.
What do you mean?
Perhaps we should start planning out our future together
I suppose we should.
The first step would be to find an apartment we can both agree on.
I'll start checking out some listings.
So, I figure you'll have to give up your sci-fi and anime stuff to make room for my things.
Well, as long as NOW

"No, fee YOU!"

Ok, here's your one hundred and twenty dollars, which leaves $4.23 in your account.
:hmph:
Great.
Unfortunately, we require a minimum balance, so there will be a $25 fee, which leaves a balance of negative 20 dollars and 77 cents.
uh...
Since you now have a negative balance, there will also be a fee of 12 dollars for every day it remains that way.

SIGH—
It's all through — except for that stupid anger management thing.
Do you think I have an anger management problem?
Not really — but you do get really impulsive and carried away from time to time, which can be a problem.
©EWS
Who knows, maybe the shrink can help you with that.
You have the opportunity to improve and become a better person
I guess.
Self-improvement is totally overrated though.

I hear the rent on this place is a steal.
Yeah, glad I looked up several listings.

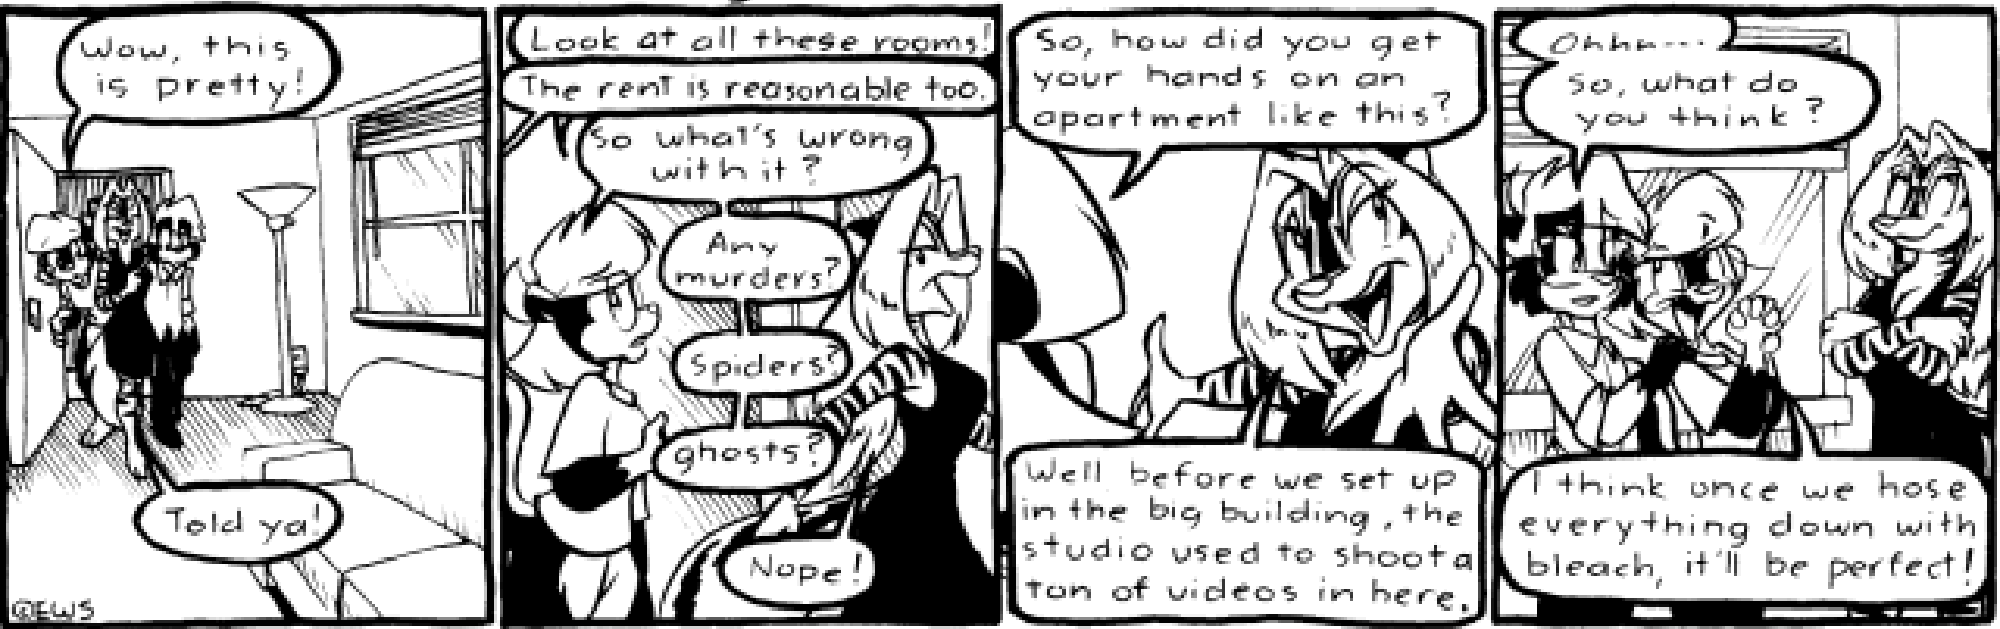
Sorry to miss work. RC and I were apartment-hunting all day.
S'OK. Why didn't you ask me about it?
Why would I?
I just so happen to know about an apartment I think would be perfect for you two.
Seriously?
Wait - this isn't just some trick to lure us into some kind of basement dungeon, is it?
Well not NOW.



Wow, this is pretty!
Told ya!
@EWS
Look at all these rooms!
The rent is reasonable too.
So what's wrong with it?
Any murders?
Spiders?
ghosts?
Nope!
So, how did you get your hands on an apartment like this?
Well before we set up in the big building, the studio used to shoot a ton of videos in here.
Ohhh...
So, what do you think?
I think once we hose everything down with bleach, it'll be perfect!
